12 Ways to Get to 11, by Eve Merriam

Make a drawing that will get you to 11. Write about it below.

A large, empty rounded rectangular box with a thick black border, intended for a drawing.

The Water Hole

Graeme Base

Down to the secret water hole the animals all come.
As seasons bring forth drought and flood, they gather there as one.
United in their common need, their numbers swell to ten—
But hidden deep among the trees lie ten times that again!
