

## Task Generator Template

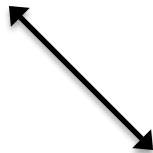

**Content Standard(s):**

**Students Interest:** *(What are your students interested in? What real world problems can they relate to?)*

**Choice** *(How might we provide choice? Technology? How can we teach to an information-based society? How can we encourage curiosity?)*

**Arts** *(What elements of the arts might be used to stimulate curiosity, make mathematical connections, and explore meaningful content?)*

**Entry Point (s):** *(How will you motivate? How will you enter into this concept?)*
