NCTM Annual Conference & Exposition • San Francisco, CA

April 16, 2016 • 11:00-12:00 p.m.

Here's what we hope to do today

- Consider Look Fors involving the Standards for Mathematical Practice (CCSS-M) and Mathematics Teaching Practices (NCTM, 2014) as coaching-connected tools for planning, teaching and reflection.
- Consider Look Fors as guides for observation and professional learning for teachers and teacher leaders.

ELEMENTARY MATHEMATICS SPECIALISTS & TEACHER LEADERS PROJECT

Supporting the ongoing work of Elementary Mathematics Specialists--professionals who know and understand mathematics, and who effectively lead and mentor their colleagues.
